FACILITY DESCRIPTION

Cameo College of Essential Beauty is located in the center of the Salt Lake City metropolitan area, just off the main city boulevard and adjacent to a major medical center. This gives us a central, recognizable location for easy access to students, staff, graduates, professionals and the general public alike. Our 3 storey facility was inspired to provide our students with an unsurpassed educational environment, and our clients with a modern salon experience.

Top Level

The top level is dedicated to education and administration. Here our classrooms are equipped with computers, wireless internet capabilities, TurningPoint audience response system, and digital projection. In our state-of-the-art amphitheater on this same floor, we have hosted some of the best educators, artists, and events in the industry as a vital component of our students' educational experience. We also have an eight station computer lab that allows our students to participate in self-directed learning, online testing, maintain their schedules, and maximize downtime.

Main Level

On our main level is the student salon. We provide an upscale ambiance with a stylish client lobby, 60 high-fashion hair styling stations, 24 professional nail stations, a make-up and brow bar, and our Esthetics & More Beauty Store. Our retail store is stocked with over 30 professional product lines for skin, hair, nails, equipment, and even pet care. We offer a wide price range to meet the budget needs of our full clientele, from Redken to Davines to Kevin Murphy, and Dermalogica to Comfort Zone. We also provide product lines, such as M'lis or Salt of the Earth for our patrons who prefer a more natural and green alternative. We offer equipment from shellac lamps to tint brushes to makeup applicators. We truly are a one-stop shop for the entire beauty community. To top it off, the store is just a short walk down the hallway from the salon, so students can recommend products for their clients while still in house.

Lower Level

Our lowest level is a warm and relaxing Adult Day Spa, a quiet haven tucked away from the exciting salon floor. Throughout the spa we have added the warmth of faux stone texture to maximize an earth-connectedness. The spa includes 10 facial rooms, one couple's room, 4 clinical areas, two in-house laser rooms, spa wax room, skin scanners and an electrolysis area. Each time our medical doctor is present for assistance with treatments, our students have access to a full line of technology so they are familiar with every possible piece of machinery or equipment they will encounter and use in their careers. Our 14 station pedicure room was recently remodeled with energy and water efficient pedicure basins, as well as a fireplace for the cold Utah winters. We have two wet rooms, one with a hydrocapsule with steam option and a vichy shower. Both rooms have adjacent showers for client convenience. All treatment rooms are stocked with a magnifying lamp, infrared light, steamers and hot towel caddies. Clients have a pleasant waiting room with plush leather seating, aromatherapy, and a custom-built soothing saltwater tank with fish and coral, allowing maximum relaxation before treatment. They also have access to a client locker room with changing rooms, and restrooms

It includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment is conduct that explicitly or implicitly affects a person's employment or education or interferes with a person's work or educational performance or creates an environment such that a reasonable person would find the conduct intimidating, hostile or offensive.

Sexual Violence is defined as physical sexual acts engaged in without the consent of the other person or when the other person is unable to consent to the activity. Sexual violence includes sexual assault, rape, battery, and sexual coercion; domestic violence; dating violence; and stalking.

Domestic Violence is defined as abuse committed against an adult or a minor who is a spouse or former spouse, cohabitant or former cohabitant, or someone with whom the abuser has a child, has an existing dating or engagement relationship, or has had a former dating or engagement relationship.

Dating Violence is defined as abuse committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

Sexual Assault occurs when a physical sexual activity is engaged in without the consent of the other person or when the other person is unable to consent to the activity. The activity or conduct may include physical force, violence, threat, or intimidation, ignoring the objections of the other person, causing the other person's intoxication or incapacitation through the use of drugs or alcohol, and taking advantage of the other person's incapacitation (including voluntary intoxication).

Stalking is behavior in which a person repeatedly engages in conduct directed at a specific person that places that person in reasonable fear of his or her safety or the safety of others.

Consent is informed, voluntary and revocable. Consent is an affirmative, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon sexual activity. It must be given without coercion, force, threats or intimidation. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. Once consent is withdrawn, the sexual activity must stop immediately.

Prohibited Conduct

This policy strictly prohibits sexual or other unlawful harassment or discrimination as well as sexual violence, as defined above. Sexual or other unlawful harassment or discrimination includes any verbal, physical or visual conduct based on sex, race, age, national origin, disability or any other legally protected basis if:

- i. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's education or employment;

- ii. Submission to or rejection of such conduct by an individual is used as a basis for decisions concerning that individual's education or employment; or
- iii. It creates a hostile or offensive work environment, which means the alleged conduct is sufficiently serious to limit or deny a student's ability to participate or benefit from the student's education program.

Unlawful harassment or discrimination may include racial epithets, slurs and derogatory remarks, stereotypes, jokes, posters or cartoons based on race, national origin, age, disability, marital status or other legally protected categories.

Sexual harassment is conduct based on sex, whether directed towards a person of the opposite or same sex, and may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually orientated "kidding" or "teasing", practical jokes, jokes about or displays of obscene printed or visual material, questions about sexual fantasies, preferences or history, and physical contact such as patting, pinching, or intentionally brushing against another person's body. Gender-based harassment, including acts of verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping are strictly prohibited, even if those acts do not involve conduct of a sexual nature.

Complaint/Grievance Procedure

If you believe that you have experienced or witnessed harassment or sexual violence, notify your instructor, manager, Human Resources, or a Title IX Coordinator as soon as possible after the incident. Do not allow an inappropriate situation to continue by not reporting it, regardless of who is creating the situation. No employees, contract worker, student, vendor or other person who does business with the School is exempt from the prohibitions in this policy. Managers will refer all harassment complaints to a Title IX Coordinator for student-related complaints and to the Human Resources Department if the complaint involves an employee. In order to facilitate the investigation, your complaint should include details of the incident or incidents, names of the individuals involved and names of any witnesses.

All complaints involving a student will be referred to one of the campus's Title IX Coordinator. The Title IX Coordinators are listed below and they have the responsibility of overseeing all Title IX complaints and identifying and addressing any patterns or systemic problems that arise during the review of such complaints.

The School ensures that its employee(s) designated to serve as Title IX Coordinator(s) have adequate training on what constitutes sexual harassment, including sexual violence, and that they understand how Cameo College's grievance procedures operate. Because complaints can also be filed with an employee's supervisor or Human Resources, these employees also receive training on Cameo College's grievance procedures and any other procedures used for investigating reports of sexual harassment.

Investigation of Complaints

In response to all complaints, Cameo College promises prompt and equitable resolution through a reliable and impartial investigation of complaints, including the opportunity for both parties to present witnesses or other evidence. The time necessary to conduct an investigation will vary based on complexity but will generally be completed within sixty (60) days of receipt of the complaint. Cameo College shall maintain confidentiality for all parties to the extent possible, but absolute confidentiality cannot be guaranteed. In cases where a student does not give consent for an investigation, Cameo College will weigh the student's request for confidentiality against the impact on campus safety to determine whether an investigation must proceed. Complainants should be aware that in a formal investigation due process generally requires that the identity of the charging party and the substance of the complaint be revealed to the person charged with the alleged harassment.

The preponderance of the evidence standard will apply to investigations, meaning Cameo College will evaluate whether it is more likely than not that the alleged conduct occurred. Both parties will receive written notice of the outcome of the complaint.

During the investigation, Cameo College will provide interim measures, as necessary, to protect the safety and well-being of students and/or employees involved.

If Cameo College determines that unlawful harassment or sexual violence has occurred, immediate appropriate corrective action will be taken in accordance with the circumstances involved. Any employee determined by Cameo College to be responsible for unlawful harassment or discrimination will be subject to appropriate disciplinary action, up to and including termination. Remedies for student-related claims may include, but are not limited to, an order to stay away, suspension or expulsion.

To initiate a criminal investigation, reports of sexual violence should be made to "911" or local law enforcement. The criminal process is separate from Cameo College's disciplinary process. To the extent that an individual is not satisfied with Cameo College's handling of a harassment or discrimination complaint, he or she may also contact the appropriate state or federal enforcement agency for legal relief.

Retaliation Prohibited

Cameo College will not retaliate against you for filing a complaint, and will not tolerate retaliation by students or employees. If you believe you have been retaliated against, you should promptly notify your instructor, Human Resources or a Title IX Coordinator.

Report Requirements

Victims of sexual misconduct should be aware that Cameo College administrators must issue timely warning for incidents reported to them that pose a substantial threat of bodily harm or danger to other members of the campus community. Cameo College will make every effort to ensure that a victim’s name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger. Cameo College reserves the right to notify parents/guardians of dependent students regarding any health or safety risk, or a change in student status.

Additional Information

Employees and students should contact Human Resources or a Title IX Coordinator for more information or any questions related to this policy. In addition, the U.S. Department of Education Office for Civil Rights (“OCR”) investigates complaints of unlawful harassment of students in educational programs or activities. This agency may serve as a neutral fact finder and will attempt to facilitate the voluntary resolution of disputes with the parties. For more information, visit the OCR website at <http://www.hhs.gov/ocr/>.
