## **FACILITY DESCRIPTION**

Cameo College of Essential Beauty is located in a suburb of Salt Lake City, just off the main city boulevard and adjacent to a major medical center. This gives us a central, recognizable location for easy access to students, staff, graduates, professionals and the general public alike. Our 3 story facility was inspired to provide our students with an unsurpassed educational environment, and our clients with a modern salon experience.

### **ADA Policy**

The school has elevators, handicap parking, wide doorways, and handicap bathroom stalls. Students with any mental or physical challenge must see the Director prior to enrollment to ensure they can qualify for the program.

### **Top Level**

The top level is dedicated to education and administration. Here our classrooms are equipped with computers, wireless internet capabilities, Turning Point audience response system, and digital projection. In our amphitheater on this same floor, we have hosted some of the best educators, artists, and events in the industry as a vital component of our students' educational experience. We also have an eight station computer lab that allows our students to participate in self-directed learning, online testing, maintain their schedules, and maximize downtime.

### **Main Level**

On our main level is the student salon. We provide an upscale ambiance with a stylish client lobby, 60 high-fashion hair styling stations, 14 professional nail stations, a make-up and brow bar, and our Esthetics & More Beauty Store. Our retail store is stocked with over 30 professional product lines for skin, hair, nails, equipment, and even pet care. We offer a wide price range to meet the budget needs of our full clientele, from Redken, Matrix, Kevin Murphy, Ruzel, B3, Dermalogica, GlyMed, CND, and Softap. We also provide product lines, such as M'lis or Salt of the Earth for our patrons who prefer a more natural and green alternative. We offer equipment from shellac lamps to tint brushes to makeup applicators. We truly are a one-stop shop for the entire beauty community. To top it off, the store is just a short walk down the hallway from the salon, so students can recommend products for their clients while still in house.

### **Lower Level**

Our lower level is a warm and relaxing Adult Day Spa, a quiet haven where you can escape from the outside world. Throughout the spa we have added the warmth of faux stone texture to maximize an earth-connectedness. The spa includes 10 facial rooms, one couple's room, 4 clinical areas, two in-house laser rooms, spa wax room, skin scanners and an electrolysis area. Dr. Fryer, as the Medical Director performs demonstrations for our students in Medical Esthetics procedures. Our 14 station pedicure room contains energy and water efficient pedicure basins, as well as a fireplace for the cold Utah winters. We have two wet rooms, one with a hydrocapsule with steam option and a vichy shower. Both rooms have adjacent showers for client convenience. All treatment rooms are stocked with a magnifying lamp, infrared light, steamers and hot towel warmer. Clients have a pleasant waiting room with plush leather seating, aromatherapy, and a custom-built soothing saltwater tank with fish and coral, allowing maximum relaxation before treatment. They also have access to a client locker room with changing rooms, and restrooms.

**WARNING:**

Students who meet the minimum requirements for attendance and academic performance are considered to be making satisfactory academic progress until the next evaluation period. Students will be notified in writing that they are meeting the minimum requirements. Students who do not achieve minimum standards are no longer eligible for Title IV, HEA program funds, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation.

Students failing to meet either the CGPA or CAR minimum requirements will be placed on warning until the next evaluation period is reached. Students will be notified in writing that they have been placed on warning.

Students will be able to receive financial aid for the warning period. However, for financial aid eligibility to continue, students must meet both the minimum CGPA and CAR requirements by the end of the next evaluation period.

**PROBATION:**

Students who fail to meet minimum requirements for CAR or CGPA after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the

academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both CAR and CGPA+ requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to received Title IV funds.

### **APPEAL PROCEDURE:**

Students who wish to appeal the determination that they are not maintaining satisfactory academic progress must submit an appeal within ten (10) calendar days of receiving the determination notice. Reasons for which students may appeal include death of an immediate family member, an injury or illness resulting in the hospitalization of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the School Director. The appeal must describe special circumstances that impacted the student's performance and include any supporting documentation the student wishes to have considered. It must also include a description of what has changed that will allow the student to achieve Satisfactory Progress by the end of the next payment period. An appeal decision will be made and the student notified within 14 days of the receipt of the appeal.

Should a student prevail upon his/her appeal, the student will be on Probation, and Title IV assistance will be reinstated, if applicable. The student must be achieving Satisfactory Academic Progress at the end of the Probationary Period/Next Evaluation Period or all Financial Aid will again be terminated.

In the case of an adverse determination of the student's appeal, the student will be deemed ineligible for Title IV assistance (if applicable) and shall revert to cash pay status. If payment arrangements cannot be made, the student will be terminated from the program.

The appeal must be made in writing and the committee will issue a response within 15 business days of the appeal date. The committee may determine that due to extenuating circumstances the student is making satisfactory progress towards his/her certificate despite the failure to conform within the time frame or minimum grade averages. Examples may include death of immediate family member, medical injury, or other allowable circumstances. Documentation may be submitted as to why the student failed to make satisfactory academic progress and what has changed in the student's situation that will allow the achievement of satisfactory academic progress at the next evaluation.

The committee will also determine if the student can reasonably re-establish SAP. No additional appeals are afforded. Appeal Committee decisions are final. All appeal documentation is maintained in students file.

### **RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS:**

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting attendance and academic requirements by the end of the probationary period.

**FINANCIAL AID INELIGIBILITY:**

If a student fails to meet the minimum CGPA or CAR requirements for two evaluation periods, the student will no longer be eligible for financial aid. Students will be notified in writing that they have been placed on suspension.

**MAXIMUM TIME FRAME:**

The maximum time a student has to complete is 133% of the program length. All students must maintain at least a 75% CGPA and CAR average in order to be considered making satisfactory academic progress and to complete the program within the maximum time frame. (A leave of absence extends the student's contract period and maximum time frame by the same number of calendar days taken in the leave of absence.) Students will also be suspended from Financial Aid once they have reached the following scheduled hours:

|                             |   |
|-----------------------------|---|
| Cosmetology/Barbering       | 2128 Clock Hours                                  |

| Nail Technology             | 399 Clock Hours (Not eligible for Title IV funds) |

**INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS:**

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Course incompletes have no effect upon the satisfactory progress standards until a grade is recorded. Student's who withdraw prior to completion of the course and wish to re-enroll, will re-enter in the same progress status as when they left. Cameo College of Essential Beauty does not have a withdrawal pass or withdrawal fail.

**TRANSFER STUDENTS:**

Transfer students hours from another institution that are accepted towards the students educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

**NONCREDIT AND REMEDIAL COURSES:**

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

**REPEATED COURSES:**

Cameo College of Essential Beauty does not offer repeated courses.

**CHANGE OF PROGRAM:**

In the event a student changes his/her program, any credits given towards the new program will be applied towards Satisfactory Academic Progress (SAP).

## **SECOND PROGRAM:**

In the event a student completes one program and pursues a second program, Satisfactory Academic Progress (SAP) will begin at conception of second program.

## **LEAVE OF ABSENCE POLICY**

A Leave of Absence (LOA) will not involve any additional charges by the institution.

***Each student must request a LOA from the school in writing and it must be pre-approved by a school official before the start of the LOA. The LOA form must be filled out completely with an explanation of why the student is requesting the LOA, and must include student's signature. In addition, there must be a reasonable expectation that the student will return to school otherwise the LOA will be denied. The LOA extends the students contract period by the same number of days taken in the LOA, see the "Leave of Absence Contract Addendum" for students revised graduation date and student signature.***

If a student fails to return to school at the expiration of an approved LOA, the student's withdrawal date is the last day of attendance... ***WARNING FOR FEDERAL STUDENT AID STUDENTS: If you fail to return to school on your scheduled return date, your 6 month grace period for your Direct Stafford Loans will start retroactively on the day the LOA began and repayment will begin sooner than expected. While student is actively on an LOA all financial disbursements will cease. In the rare situation the student doesn't reach the hours covered in the loan period and estimated disbursement date the student could be in jeopardy of losing financial aid disbursements.***

In rare cases of emergency that would prevent a student from providing prior written requests the information may be phoned in to the administration office and documented by the administration office staff. However, the student is required to come in and complete, sign, and date the LOA form as soon as possible but no later than 30 days after the initial phone request. If a student fails to complete the LOA form within the required 30 days the student will be withdrawn from the program and as stated previously, the grace period for loan payments (Financial aid students only) will start retroactively on the day the LOA began and repayment will begin sooner than expected. The beginning date of the approved LOA would be determined by the school official to be the first date the student was unable to attend school because of the emergency.

A student's total number of days for all LOA's combined cannot exceed 90 days in any given 12 month period. (The 12 month period will begin on the first day of your first LOA.) ***Each LOA must be a minimum of 14 calendar days. The student may not return early.*** A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculations are required at that time.

## **ATTENDANCE**

Students must notify instructor and desk coordinator prior to leaving facility.

Student must call and personally notify student services and department desk coordinator of any absence or tardy prior to scheduled arrival time. Failure to do so may be considered a no call/no show which may result in a \$100 fine.

Tardies/Absences 3 calendar days prior will allow student to make-up missed assignments/tests. All missed assignments/tests shall be made up within 5 school days.

Student that misses 3 or more days during the orientation phase may be withdrawn from school until the following class start date.

## **TARDIES**

Defined as: arrival after scheduled arrival time/not seated and prepared for class/or leaving prior to scheduled time. Excess may result in disciplinary action.

## **CAMPUS SECURITY, CRIME AWARENESS, DRUG FREE WORKPLACE POLICY**

In accordance with the Crime Awareness and Campus Security Act of 1990, the institution collects campus crime statistics and prepares this report for distribution to all students, employees, and applicants for enrollment or employment.

This report is distributed annually in September to all current and prospective students and employees. All data in this report is information from the Murray City Police Department. In addition, the report is provided to all individuals during enrollment or employment orientation that is conducted with each start class or upon hiring of a new employee. At that time, students and employees review the report and receive a description of the campus security procedures and further information regarding the prevention of crimes. Any individual can request a copy of this report at any time.

The school encourages all students and employees to be responsible for their own security and the security of others. The school does not employ campus security officials. Therefore, the security of the campus is the direct responsibility of each employee and administrator. No such individuals have the authority to make arrests. All individuals are requested to report immediately any known criminal offense or other emergency occurring on campus to the school administration at the administration office. All individuals are encouraged to promptly report all crimes to appropriate police agencies. The campus administration will report all known criminal offenses to the local law enforcement authorities. The school has no policy or procedure regarding confidential crime reporting in relation to crime statistics reporting. Any off campus events are supervised by campus employees. Therefore, the school will monitor and report criminal activity at such events to local law enforcement authorities. No student will have access to the campus facility, other than the parking area, at any time unless supervised by a staff member.

Everyone should remember that personal safety begins with you. The following should be considered:  
When walking on campus, be aware of who and what is around you. Try not to walk alone.  
Do not carry large amounts of cash.  
Keep your motor vehicle in good running condition.  
Always lock your car and remove all packages and any valuables which are visible.  
Do not leave books or personal property unattended in the classroom.

The following criminal offenses occurred on campus during the calendar year 2016 and the 2 previous years. (Campus is defined as "any building or property owned or controlled by the school within the same contiguous geographic area and used by the school in direct support of or related to its educational purpose." There are no buildings or properties owned or controlled by the school's student organizations which are recognized by this institution.)

#### **Definitions**

**Sexual Harassment** is defined as unwelcome conduct of a sexual nature. It includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment is conduct that explicitly or implicitly affects a person's employment or education or interferes with a person's work or educational performance or creates an environment such that a reasonable person would find the conduct intimidating, hostile or offensive.

Sexual Violence is defined as physical sexual acts engaged in without the consent of the other person or when the other person is unable to consent to the activity. Sexual violence includes sexual assault, rape, battery, and sexual coercion; domestic violence; dating violence; and stalking.

Dating Violence. Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

For the purposes of this definition.

Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.

Dating violence does not include acts covered under the definition of domestic violence.

For the purposes of complying with the requirements of this section and §668.41, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

Domestic violence.

A felony or misdemeanor crime of violence committed.

By a current or former spouse or intimate partner of the victim.

By a person with whom the victim shares a child in common.

By a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner.

By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred, or

By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Stalking

Engaging in a course of conduct directed at a specific person that would cause a reasonable person to

Fear for the person's safety or the safety of others; or

Suffer substantial emotional distress.

For the purposes of this definition.

Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.

Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim.

Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

Sexual Assault occurs when a physical sexual activity is engaged in without the consent of the other person or when the other person is unable to consent to the activity. The activity or conduct may include physical force, violence, threat, or intimidation, ignoring the objections of the other person, causing the other person's intoxication or incapacitation through the use of drugs or alcohol, and taking advantage of the other person's incapacitation (including voluntary intoxication). Sexual assault includes rape, fondling, incest, or statutory rape.

Consent is informed, voluntary and revocable. Consent is an affirmative, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon sexual activity. It must be given without coercion, force, threats or intimidation. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. Once consent is withdrawn, the sexual activity must stop immediately.

### **Prohibited Conduct**

This policy strictly prohibits sexual or other unlawful harassment or discrimination as well as sexual violence, as defined above. Sexual or other unlawful harassment or discrimination includes any verbal, physical or visual conduct based on sex, race, age, national origin, disability or any other legally protected basis if:

Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's education or employment;

Submission to or rejection of such conduct by an individual is used as a basis for decisions concerning that individual's education or employment; or

It creates a hostile or offensive work environment, which means the alleged conduct is sufficiently serious to limit or deny a student's ability to participate or benefit from the student's education program.

Sexual harassment is conduct based on sex, whether directed towards a person of the opposite or same sex, and may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually orientated "kidding" or "teasing", practical jokes, jokes about or displays of obscene printed or visual material, questions about sexual fantasies, preferences or history, and physical contact such as patting, pinching, or intentionally brushing against another person's body. Gender-based harassment, including acts of verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping are strictly prohibited, even if those acts do not involve conduct of a sexual nature.

### **Harassment or Sexual Violence Complaint/Grievance Procedure**

If you believe that you have experienced or witnessed harassment or sexual violence, notify your instructor, manager, Human Resources, or a Title IX Coordinator as soon as possible after the incident. Do not allow an inappropriate situation to continue by not reporting it, regardless of who is creating the situation. No employees, contract worker, student, vendor or other person who does business with the School is exempt from the prohibitions in this policy. Managers will refer all harassment complaints to a Title IX Coordinator for student-related complaints and to the Human Resources Department if the

complaint involves an employee. In order to facilitate the investigation, your complaint should include details of the incident or incidents, names of the individuals involved and names of any witnesses.

All complaints involving a student will be referred to one of the campus's Title IX Coordinator. The Title IX Coordinators are listed below and they have the responsibility of overseeing all Title IX complaints and identifying and addressing any patterns or systemic problems that arise during the review of such complaints.

The School ensures that its employee(s) designated to serve as Title IX Coordinator(s) have adequate training on what constitutes sexual harassment, including sexual violence, and that they understand how Cameo College of Essential Beauty's grievance procedures operate. Because complaints can also be filed with an employee's supervisor or Human Resources, these employees also receive training on Cameo College of Essential Beauty's grievance procedures and any other procedures used for investigating reports of sexual harassment.

### **Investigation of Complaints**

In response to all complaints, Cameo College of Essential Beauty promises prompt and equitable resolution through a reliable and impartial investigation of complaints, including the opportunity for both parties to present witnesses or other evidence. The time necessary to conduct an investigation will vary based on complexity but will generally be completed within sixty (60) days of receipt of the complaint. Cameo College of Essential Beauty shall maintain confidentiality for all parties to the extent possible, but absolute confidentiality cannot be guaranteed. In cases where a student does not give consent for an investigation, Cameo College of Essential Beauty will weigh the student's request for confidentiality against the impact on campus safety to determine whether an investigation must proceed. Complainants should be aware that in a formal investigation due process generally requires that the identity of the charging party and the substance of the complaint be revealed to the person charged with the alleged harassment.

The preponderance of the evidence standard will apply to investigations, meaning Cameo College of Essential Beauty will evaluate whether it is more likely than not that the alleged conduct occurred. Both parties will receive written notice of the outcome of the complaint.

During the investigation, Cameo College of Essential Beauty will provide interim measures, as necessary, to protect the safety and well-being of students and/or employees involved.

If Cameo College of Essential Beauty determines that unlawful harassment or sexual violence has occurred, immediate appropriate corrective action will be taken in accordance with the circumstances involved. Any employee determined by Cameo College of Essential Beauty to be responsible for unlawful harassment or discrimination will be subject to appropriate disciplinary action, up to and including termination. Remedies for student-related claims may include, but are not limited to, an order to stay away, suspension or expulsion.

To initiate a criminal investigation, reports of sexual violence should be made to "911" or local law enforcement. The criminal process is separate from Cameo College of Essential Beauty's disciplinary process. To the extent that an individual is not satisfied with Cameo College of Essential Beauty's

handling of a harassment or discrimination complaint, he or she may also contact the appropriate state or federal enforcement agency for legal relief.

### **Retaliation Prohibited**

Cameo College of Essential Beauty will not retaliate against you for filing a complaint, and will not tolerate retaliation by students or employees. If you believe you have been retaliated against, you should promptly notify your instructor, Human Resources or a Title IX Coordinator.

### **Report Requirements**

Victims of sexual misconduct should be aware that Cameo College of Essential Beauty administrators must issue timely warning for incidents reported to them that pose a substantial threat of bodily harm or danger to other members of the campus community. Cameo College of Essential Beauty will make every effort to ensure that a victim's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger. Cameo College of Essential Beauty reserves the right to notify parents/guardians of dependent students regarding any health or safety risk, or a change in student status.

### **Additional Information**

Employees and students should contact Human Resources or a Title IX Coordinator for more information or any questions related to this policy. In addition, the U.S. Department of Education Office for Civil Rights ("OCR") investigates complaints of unlawful harassment of students in educational programs or activities. This agency may serve as a neutral fact finder and will attempt to facilitate the voluntary resolution of disputes with the parties. For more information, visit the OCR website at <http://www.hhs.gov/ocr/>.

### **Title IX Notice of Nondiscrimination**

Cameo College of Essential Beauty does not discriminate on the basis of sex in its education programs or activities and is committed to ensuring an educational environment free of sexual harassment, including sexual violence, and to full compliance with Title IX of the Education Amendments Act of 1972 and other federal and state laws governing such conduct.

The following individuals have been designated as the Title IX Coordinators by Cameo College of Essential Beauty to handle inquiries regarding Cameo College of Essential Beauty Title IX policies, including receiving and responding to information about any incident of sex discrimination:

Information regarding sexual discrimination, including sexual harassment or sexual violence, may also be reported by anyone to: U.S. Department, Office for Civil Rights by email at [ocr@ed.gov](mailto:ocr@ed.gov) or at the addresses provided at the following website:

<http://www2.ed.gov/about/offices/list/ocr/docs/howto.html>

“Sexual harassment” is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature may constitute sexual harassment when:

- o submission to such conduct is made either explicitly or implicitly as a term or condition of an evaluation of a student's academic performance, term or condition of participation in student activities or in other events or activities sanctioned by Cameo College of Essential Beauty;
- o submission to or rejection of such conduct by an individual is used as the basis for academic decisions or other decisions about participation in student activities or other events or activities sanctioned by Cameo College of Essential Beauty; or
- o such conduct otherwise has the purpose or effect of threatening an individual's academic performance; or creating an intimidating, hostile or offensive educational environment.

*Forms of sexual harassment include, but are not limited to, sexist remarks or behavior, constant offensive joking, sexual looks or advances, repeated requests for dates, unwelcome touching, promise of reward for sexual favors. Students, faculty or staff who experience sexual harassment should be encouraged to make it clear to the alleged offender that such behavior is offensive. However, failure to comply with this provision does not defeat the Institute's obligation to investigate the incident and take appropriate steps if sexual harassment has occurred. Sexual violence includes, among other conduct, domestic violence, dating violence, sexual assault, and stalking.. These acts will not be tolerated at Cameo College of Essential Beauty as such acts are inappropriate and create an environment contrary to the goals and mission of Cameo College of Essential Beauty.*

Any such acts will be thoroughly investigated and will subject an individual to appropriate disciplinary sanctions and/or possible action by appropriate law enforcement agencies.

It is the responsibility of all persons within Cameo College of Essential Beauty community to work to ensure an educational environment free from sex discrimination. Violations of this policy may be grounds for disciplinary action under Cameo College of Essential Beauty policies and procedures [cross reference the procedures applicable to students and employees utilized by the School to investigate and discipline sexual discrimination (including sexual harassment and sexual violence) incidents].

All students and staff of Cameo College of Essential Beauty are expected to report incidents of sexual discrimination (including sexual harassment or sexual violence) to the Title IX Coordinator.

### **Education Programs to Promote Awareness of Domestic Violence, Dating Violence, Sexual Assault and Stalking.**

*Cameo College of Essential Beauty educates the incoming and current student and employee community about sexual violence, violence prevention and all relevant Cameo College of Essential Beauty policies and procedures during all orientations held for new and current students upon the onset of a class and once per calendar year thereafter. The Title IX Coordinator is responsible for training all Cameo College of Essential Beauty current students and employees about Cameo College of Essential Beauty policies regarding sexual violence and for conducting the new student and employee training. The new and current employee and student training sessions include:*

- *A statement that Cameo College of Essential Beauty prohibits crimes of dating violence, domestic violence, sexual assault and stalking;*
- *The definitions of those crimes under federal and state law;*

- *The definition of consent, in reference to sexual activity, if available under state law;*
- *A description of safe and positive options for bystander intervention;*
- *Information on risk reduction;*
- *Information contained Cameo College of Essential Beauty policies and procedures related to preventing, reporting and responding to sexual offenses, including disciplinary procedures and victim rights; and*
- *A description of Cameo College of Essential Beauty ongoing prevention and awareness campaigns for students and employees.*

## **Sanctions and Protective Measures.**

Following a final determination of Cameo College of Essential Beauty institutional disciplinary proceeding regarding domestic violence, dating violence, sexual assault or stalking, Cameo College of Essential Beauty may impose the following sanctions on the perpetrator and protective measures for the complainant:

### **1. Sanctions**

Sanctions that may be imposed by Cameo College of Essential Beauty include, but are not limited to:

- written warning;
- mandatory counseling;
- mandatory education and training;
- no contact orders;
- changes in academic, working or living arrangements;
- revocation of certain campus privileges;
- suspension or
- expulsion.

Cameo College of Essential Beauty has flexibility in the type and range of sanctions to impose on the perpetrator depending on the severity of the incident, but has a process in place to ensure that sanctions imposed are consistent with sanctions imposed in past incidents of similar conduct and are not imposed unequally based on gender or gender identity.

### **2. Protective Measures**

Protective measures that the school may utilize to protect the complainant include, but are not limited to:

- an order of protection, a no contact order, restraining order or similar lawful order from the institution;
- changes to transportation, working, academic and/or living situations;
- providing increased monitoring, supervision, or security at locations or activities where the misconduct occurred;
- providing an escort to ensure that the complainant can move safely between classes and activities;
- ensuring the complainant and perpetrator do not share classes or extracurricular activities;
- providing comprehensive, holistic victim services including medical, counseling and academic support services, such as tutoring; or
- arranging for the complainant to have extra time to complete or re-take a class or withdraw

from a class without an academic or financial penalty.

When determining what protective measures to establish, Cameo College of Essential Beauty will consider a number of factors including the specific needs and requests expressed by the complainant; the age of the students involved; the severity or pervasiveness of the conduct; any continuing effects on the complainant; whether the complainant and alleged perpetrator share the same residence hall, dining hall, class, transportation, or job location; and whether other judicial measures have been taken to protect the complainant (e.g., civil protection orders).

### **Sexual Violence: Victim Procedures**

If you are victim of sexual violence, including sexual violence, dating violence, domestic violence or stalking, your first priority should be to get to a place of safety. You should then obtain any necessary medical treatment. Information about the alleged offense should be provided to the Institute's Title IX Coordinator as soon as possible. Time is a critical factor for evidence collection and preservation.

Cameo College of Essential Beauty strongly advocates that a victim of sexual violence report the incident to police in a timely manner and, if requested to do so by the victim, Administration and/or Title IX coordinator will assist the victim in contacting the police. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. The victim has the right at all times to decline to notify police of the incident.

Filing a police report will:

- ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- provide the opportunity for collection of evidence helpful in prosecution or establishing a no contact order, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam); and
- assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.
- When a victim contacts the Police Department, the local Police Sex Crimes Unit will be notified as well. The victim may choose for the investigation to be pursued through the criminal justice system. The Title IX Coordinator will guide the victim through the available options and support the victim in his or her decision. Various counseling options are available through the Rape and Sexual Abuse Center and the Victim Intervention Program of the local Police Department.

### **Procedures for disciplinary action in cases of sexual violence.**

Cameo College of Essential Beauty Title IX Coordinator has primary responsibility for receiving, evaluating and investigating allegations of sexual violence, including alleged domestic violence, dating violence, sexual assault and stalking. The Title IX Coordinator is responsible for informing the School Director and the Campus Security Authority within 24 hours after receiving a sexual violence report for purposes of maintaining accurate Clery Act crime statistics.

The Title IX Coordinator has primary responsibility for ensuring that any disciplinary proceeding involving an allegation of sexual violence is conducted promptly, fairly and impartially and in accordance with these and other related institutional procedures.

Once the Title IX Coordinator receives a report of sexual violence, the following steps will be followed:

1. The Title IX Coordinator will immediately assess whether the information in the report warrants a timely warning and, if so, will contact the president immediately to execute that procedure in accordance with the institution's timely warning procedures. The Title IX Coordinator will immediately inform the victim of his/her right to "interim measures" during the pendency of an investigation of the alleged sexual violence, including obtaining an order of protection, a no contact order, restraining order or similar lawful order from the police or the institution; Cameo College of Essential Beauty's obligation to protect the identity of the victim in any Clery Act report or in other publicly available recordkeeping and to keep any interim measures provided to the victim confidential to the extent maintaining such confidentiality would not impair the ability of the institution to provide the accommodation or protective measure.
2. The Title IX Coordinator will, within 24 hours of receipt of the report, provide the individual making the report of an alleged sex offense with:
  - A. A copy of these procedures;
  - B. Information on counseling, health, mental health, victim advocacy, legal assistance services, immigration assistance, student financial aid and any other services available to the victim at Cameo College of Essential Beauty or in the community;
  - C. Information on the victim's right to report the incident to local police and the fact that Cameo College of Essential Beauty's institutional investigation and disciplinary procedure and criminal proceeding may occur simultaneously; and
  - D. Options to facilitate changes to transportation, working, academic and/or living situations, or additional protective measures, if requested, while the investigation is pending, even if the victim chooses not to report the crime to police.
3. The Title IX Coordinator will investigate the incident by interviewing: the individual filing the report, the accused, Cameo College of Essential Beauty employees, witnesses and others as necessary to gather facts about the alleged incident. The Title IX Coordinator may be assisted by other employees after determining that such employees do not have a conflict of interest and have received training in Title IX and VAWA.
4. The Title IX Coordinator will ensure that all individuals involved in the disciplinary procedure apply a "preponderance of the evidence" standard when evaluating sexual violence reports. Cameo College of Essential Beauty does not provide for a formal hearing process but both parties may be assisted by a support person of choice, including an attorney.
5. In all cases, the Title IX Coordinator will maintain regular communications with both the accuser and accused and provide both parties with equal opportunity to provide information, witness statements, evidence, and other information that may be necessary for Cameo College of Essential Beauty to fully evaluate the alleged offense.
6. The Title IX Coordinator will, barring extenuating circumstance, complete the investigation and make a determination regarding any necessary discipline of accused and remedies to accuser within 60 days of the date that the report is first received by the Title IX Coordinator.
7. The Title IX Coordinator will inform both parties of its final determination. Cameo College of Essential Beauty does not provide for an appeal of final determinations.
8. The sanctions that may be imposed by Cameo College of Essential Beauty following a

determination that dating violence, domestic violence, sexual assault or stalking occurred include, but are not limited to, counseling, education, changes in academic or living arrangements, no contact orders, suspension or expulsion of a student or termination of employment.

9. Both the accuser and accused shall be simultaneously informed in writing of:
  - A . The outcome of any disciplinary proceeding that arises from an allegation of domestic violence, dating violence, sexual assault or stalking,
  - B. The institution's procedures for the accused and victim to appeal the results of the institutional disciplinary proceeding (if any such appeal rights become available),
  - C. Any change to the results that occurs prior to the time that such results become final; and
    - A. When such results become final.

The Title IX Coordinator will determine if the incident is indicative of systemic issue related to the sexual violence and, if so, work with Cameo College of Essential Beauty employees, including the Campus Security Authority and School Director, to recommend changes to Cameo College of Essential Beauty policies, procedures or training to prevent re-occurrence.

Cameo College of Essential Beauty requires the Title IX Coordinator and all employees involved in the investigation and disciplinary process to receive training at least annually on the issues related to dating violence, domestic violence, sexual assault, and stalking and on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

### **Protection of Confidentiality of Victim of Sexual Violence.**

There are no pastoral or professional counselors on campus. Confidential crisis, mental health and victim resource hotline numbers are posted on campus as well as listed in the Student Catalog should students need to contact these agencies. Victims of sexual violence reported to the Title IX Coordinator will be provided with information regarding local rape crisis centers and other counseling services.

Reports about sexual violence or other crimes to Cameo College of Essential Beauty Title IX Coordinator may be provided informally and in confidence to the Title IX Coordinator who will make every attempt to maintain privacy of the information in accordance with your request and Family Educational Rights and Privacy Act of 1974 (FERPA) regulations unless Cameo College of Essential Beauty is under an obligation to disclose your identity to protect the safety of others. You will be informed if Cameo College of Essential Beauty cannot maintain the requested confidentiality of the information.

Cameo College of Essential Beauty strongly encourages persons who are victims of sexual violence who do not want to report the incident to policy or file a complaint using Cameo College of Essential Beauty institutional procedures to report the incident to the Title IX Coordinator voluntarily and on a confidential basis solely to permit the inclusion of that information in Cameo College of Essential Beauty annual crime statistics. With such information, Cameo College of Essential Beauty can keep an accurate record of the number of similar incidents, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Cameo College of Essential Beauty will make best efforts to maintain the privacy of that information and to comply with FERPA.

Cameo College of Essential Beauty is required to, and will, keep the identity of victims of sexual violence

private in any public report of Clery Act crimes. Reporting to the institution will also enable the victim to receive protective measures. At the victim's request, Cameo College of Essential Beauty will maintain as confidential any protective measures provided to the victim, to the extent that making such information confidential does not impair the ability of the institution to provide those protective measures. The victim will be informed by the institution if providing a protective measure may reveal the identity of the victim.

Cameo College of Essential Beauty encourages reporting of sexual violence to the police. Filing a police report will:

- ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam); and
- assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

### **Victim Support Services.**

- Once the Title IX Coordinator receives a report of sexual violence, the Title IX Coordinator will provide the individual making the report with written information regarding existing counseling, health, mental health, victim advocacy, legal assistance, and other services available for victims, both on campus and in the community.

### **Interim Measures.**

Within 24 hours of a Title IX Coordinator receiving a report of sexual violence, the Title IX Coordinator will provide written notification to the victim about options for, and available assistance in, changing academic, living, transportation, and working situations, if so requested by the victim and if such accommodations are reasonably available, regardless of whether the victim chooses to report the crime to campus police or local law enforcement.

### **Student Grievance Policy/Procedure**

In accordance with the institution's mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution.

1. The student should register the complaint in writing on the designated form provided by the institution within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school Director.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.
7. Students must exhaust the institution's internal complaint process before submitting the complaint to the school's accrediting agency, if applicable.
