FACILITY DESCRIPTION

Cameo College of Essential Beauty is located in a suburb of Salt Lake City, just off the main city boulevard and adjacent to a major medical center. This gives us a central, recognizable location for easy access to students, staff, graduates, professionals, and the general public alike. Our 3-story facility was inspired to provide our students with an unsurpassed educational environment, and our clients with a modern salon experience.

ADA Policy

The school has elevators, handicap parking, wide doorways, and handicap bathroom stalls. Students with any mental or physical challenge must see the Director prior to enrollment to ensure they can qualify for the program.

Top Level

The top level is dedicated to education and administration. Here our classrooms are equipped with computers, wireless internet capabilities, Turning Point audience response system, and digital projection. In our amphitheater on this same floor, we have hosted some of the best educators, artists, and events in the industry as a vital component of our students' educational experience. We also have an eight-station computer lab that allows our students to participate in self-directed learning, online testing, maintain their schedules, and maximize downtime.

Main Level

On our main level is the student salon. We provide an upscale ambiance with a stylish client lobby, 60 highfashion hair styling stations, 14 professional nail stations, a make-up and brow bar, and our Esthetics & More Beauty Store. Our retail store is stocked with over 30 professional product lines for skin, hair, nails, equipment, and even pet care. We offer a wide price range to meet the budget needs of our full clientele, from Redken, Matrix, Kevin Murphy, R, B3, Dermalogica, GlyMed, CND, and Softap. We also provide product lines, such as M'lis or Salt of the Earth for our patrons who prefer a more natural and green alternative. We offer equipment from shellac lamps to tint brushes to makeup applicators. We truly are a one-stop shop for the entire beauty community. To top it off, the store is just a short walk down the hallway from the salon, so students can recommend products for their clients while still in house.

Lower Level

Our lower level is a warm and relaxing Adult Day Spa, a quiet haven where you can escape from the outside world. Throughout the spa we have added the warmth of faux stone texture to maximize an earth-connectedness. The spa includes 10 facial rooms, one couple's room, 4 clinical areas, two in-house laser rooms, spa wax room, skin scanners and an electrolysis area. Dr. Fryer, as the Medical Director performs demonstrations for our students in Medical Esthetics procedures. Our 14 station pedicure room contains energy and water efficient pedicure basins, as well as a fireplace for the cold Utah winters. We have two wet rooms, one with a hydrocapsule with steam option and a vichy shower. Both rooms have adjacent showers for client convenience. All treatment rooms are stocked with a magnifying lamp, infrared light, steamers and hot towel warmer. Clients have a pleasant waiting room with plush leather seating, aromatherapy, and a custom-built soothing saltwater tank with fish and coral, allowing maximum relaxation before treatment. They also have access to a client locker room with changing rooms, and restrooms.

FINANCIAL AID

Financial Aid Returns (R2T4) Due to Drops, Withdrawal, or Non-Participation

Failure to attend or complete classes and/or withdrawing or dropping courses may result in a recalculation of financial aid eligibility levels and a possible return of financial aid as described below. Thus, prior to formally dropping or withdrawing from courses, students are strongly urged to contact the Financial Aid office to discuss the potential financial ramifications.

Financial Aid Returns when a Student Fails to Begin Courses

When it is determined that a student fails to begin a course, and/or a student chooses to drop or is otherwise dropped from a course for administrative reasons, the institution will re-determine the student's enrollment level for financial aid purposes and their financial aid eligibility accordingly. As a result, students may lose full or partial financial aid eligibility which may result in a financial obligation for the student if their financial aid has been previously disbursed. Such financial obligations may include immediate repayment of student loan funds to their lender/bank, a balance owed to the institution, and/or a debt owed to the US Department of Education. For federal grant funds, this enrollment level and financial aid re-determination is completed prior to any R2T4 calculation described below for courses for which the student began attendance and then withdrew.

Federal Aid Return Policy when a student withdraws

The U.S. Department of Education's financial aid return policy, known as the Return to Title IV Aid (R2T4) policy, applies when a student received federal aid and then ceases to participate in their courses after beginning attendance, after the date the student officially withdraws or stops attending their current course(s).

The R2T4 calculation compares the amount of federal funding the student received or could have received to the amount of aid the student actually earned based on the percentage of the enrollment period the student completed. This percentage is based on the effective date of the student's official withdrawal (if an official withdrawal or leave of absence form is filed with administration) or if known, the last date of attendance.

Example if the student withdraws or is terminated after completing 30% of the payment period, they have only earned 30% of the Title IV funds.

Title IV funds will be returned in the following order: Unsubsidized, Subsidized, Perkins, Direct PLUS Loan, Pell Grant.

If the student has received more financial aid than the R2T4 calculation determines they have earned, the result may be a financial obligation for the student. Such financial obligations may include repayment of student loan funds to their lender/bank, and/or a debt owed to the U.S. Department of Education for unearned grant funds. The R2T4 calculation also determines if the school is obligated to return a portion of the student's financial aid directly to the US Department of Education. If so, and this financial aid was previously credited toward the student's tuition and fees, and if the student is not eligible for a refund (see Refund policy), the return may also result in a student balance due to the school. Upon withdrawal, the institution will complete the necessary calculations and notify the student in writing of any financial aid earned and/or returned and any obligations based on the student's last date of attendance within 45 days of the school's date of determination that the student withdrew. The R2T4 policy is mandated by federal regulation and cannot be appealed. It applies regardless of the reason for the student's withdrawal.

Post Withdrawal Disbursement (PWD)

In general, institutions may not disburse federal financial aid dollars to a student who has withdrawn – the student is no longer eligible. In some circumstances, however, a student who has withdrawn may be eligible for a post-withdrawal disbursement of all or some portion of Title IV Financial Aid.

If the student is eligible for a PWD, Cameo College will disburse any portion of a student's post-withdrawal disbursement of Pell Grant funds for tuition charges and other eligible fees (as listed on the enrollment agreement). The Institutions will make the Pell Grant disbursement no later than 45 days after the date of the institution's determination that the student withdrew. The student may be eligible for a post withdrawal disbursement of a Federal Stafford or PLUS loan if, prior to withdrawing, the student earned more federal financial aid than was disbursed. Post-withdrawal disbursements for Federal Stafford or PLUS loans will be offered to the student within 30 days of the date the institution determines the student withdrew.

Financial Aid Credit Balance

A credit balance happens when Cameo College credits FSA program funds to a student's account, and those funds are more than the student's allowable charges. The institution will pay the FSA credit balance directly to the student within 14-days of the credit balance occurred. Additionally, if the student is a withdrawal the 14-day rule is placed on hold in order to determine the final amount of any Title IV credit balance. The 14-day is activated when the school completes the Return to Title IV calculation

COURSE INCOMPLETES

Course incompletes, repetitions and non-credit remedial courses have no effect upon the satisfactory progress standards.

MISSION STATEMENT

To provide superior standards of education, shaping the beauty and wellness industry by empowering confident and innovative future professionals for successful careers in the beauty industry.

SATISFACTORY ACADEMIC PROGRESS POLICY

This policy applies to all students enrolled in NACCAS approved programs Cameo College of Essential Beauty. This policy is consistently applied to all students regardless of full-time or part-time status and is given to student prior to enrollment. All periods of enrollment count toward Satisfactory Academic Progress (SAP). Cameo College of Essential Beauty offers continual courses and therefore does not offer standard terms (Fall, Winter, Spring, and Summer).

Federal regulations require the school to monitor the academic progress of all students receiving financial aid toward the completion of their program. This process is called Satisfactory Academic Progress. (SAP) The SAP policy is enforced in conjunction with all other school policies and procedures.

SAP is monitored each using two factors:

1. Cumulative Grade Point Average (CGPA)

Written: Tests, Assignments, notes, homework, make-up, and etc.

Practical: Services performed, demonstrations, workshops, and sanitation

2. Cumulative Attendance Rate (CAR)

DEFINITIONS:

Successful completion of a course of study requires a grade of A, B, or C. (75% or higher) See grading scale:

90% - 100%	(A)	Excellent
80% - 89%	(B)	Good - Improving
75% - 79%	(C)	Fair - Needs Improvement
70% - 74%	(D)	Poor
0% - 69%	(F)	Unsatisfactory

MONITORING:

SAP is monitored at each evaluation period based by actual clock hours completed. In order to maintain financial aid eligibility, students must meet the following minimum requirements:

1. Maintain a CGPA of 75% or higher
2. Maintain a CAR of 75% or higher

For those students receiving VA Benefits monthly monitoring will be done to make sure the student is following VA SAP standards.

EVALUATION PERIODS:

Each student will be evaluated at the periods listed below:

Cosmetology/Barbering (1600 Clock Hours) - 520 hours/1040 hours/1320 hours/1600 hours
Hair Design (1200 Clock Hours) – 520 hours/1040 hours/1200 hours
Master Esthetics (Full) (1200 Clock Hours) - 520 hours/1040 hours/1200 hours
Barbering (1000 Clock Hours) - 500 hours/1000 hours
Electrology (600 Clock Hours) - 300 hours/600 hours
Esthetics (Basic - Level 1) (600 Clock Hours) - 300 hours/600 hours
Master Esthetics (Level 2) (600 Clock Hours) - 300 hours/600 hours
Nail Technology (300 Clock Hours) - 150 hours/300 hours

WARNING:

Students who meet the minimum requirements for attendance and academic performance are considered to be making satisfactory academic progress until the next evaluation period. Students will be notified in writing that they are meeting the minimum requirements. Students who do not achieve minimum standards are no longer eligible for Title IV, HEA program funds, and VA Benefits unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation.

Students failing to meet either the CGPA or CAR minimum requirements will be placed on warning until the next evaluation period is reached. Students will be notified in writing that they have been placed on warning.

Students will be able to receive financial aid for the warning period. However, for financial aid eligibility to continue, students must meet both the minimum CGPA and CAR requirements by the end of the next evaluation period.

PROBATION:

Students who fail to meet minimum requirements for CAR or CGPA after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both CAR and CGPA+ requirements required for satisfactory

academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

If the student is receiving VA Benefits and not meeting the VA Standards of progress attendance and probationary policy (VA SPAPP) the student may lose their VA benefits that was given to them. The student will not receive VA benefits until the student is meeting the VA SPP then can meet with the SCO to apply for recertification of VA Benefits.

APPEAL PROCEDURE:

Students who wish to appeal the determination that they are not maintaining satisfactory academic progress must submit an appeal within ten (10) calendar days of receiving the determination notice. Reasons for which students may appeal include death of an immediate family member, an injury or illness resulting in the hospitalization of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the School Director. The appeal must describe special circumstances that impacted the student's performance and include any supporting documentation the student wishes to have considered. It must also include a description of what has changed that will allow the student to achieve Satisfactory Progress by the end of the next payment period. An appeal decision will be made, and the student notified within 14 days of the receipt of the appeal.

Should a student prevail upon his/her appeal, the student will be on Probation, and Title IV assistance will be reinstated, if applicable. The student must be achieving Satisfactory Academic Progress at the end of the Probationary Period/Next Evaluation Period, or all Financial Aid will again be terminated.

In the case of an adverse determination of the student's appeal, the student will be deemed ineligible for Title IV assistance (if applicable) and shall revert to cash pay status. If payment arrangements cannot be made, the student will be terminated from the program.

The appeal must be made in writing and the committee will issue a response within 15 business days of the appeal date. The committee may determine that due to extenuating circumstances the student is making satisfactory progress towards his/her certificate despite the failure to conform within the time frame or minimum grade averages. Examples may include death of immediate family member, medical injury, or other allowable circumstances. Documentation may be submitted as to why the student failed to make satisfactory academic progress and what has changed in the student's situation that will allow the achievement of satisfactory academic progress at the next evaluation.

The committee will also determine if the student can reasonably re-establish SAP. No additional appeals are afforded. Appeal Committee decisions are final. All appeal documentation is maintained in students' file.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS:

Students may re-establish satisfactory academic progress and Title IV aid, and VA benefits as applicable, by meeting attendance and academic requirements by the end of the probationary period.

FINANCIAL AID INELIGIBILITY:

If a student fails to meet the minimum CGPA or CAR requirements for two evaluation periods, the student will no longer be eligible for financial aid. Students will be notified in writing that they have been placed on suspension.

MAXIMUM TIME FRAME:

The maximum time a student has to complete is 133% of the program length. All students must maintain at least a 75% CGPA and CAR average in order to be considered making satisfactory academic progress and to complete the program within the maximum time frame. (A leave of absence extends the student's contract period and maximum time frame by the same number of calendar days taken in the leave of absence.) Students will also be suspended from Financial Aid once they have reached the following scheduled hours:

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS:

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Course incompletes have no effect upon the satisfactory progress standards until a grade is recorded. Students who withdraw prior to completion of the course and wish to re-enroll, will re-enter in the same progress status as when they left. Cameo College of Essential Beauty does not have a withdrawal pass or withdrawal fail.

TRANSFER STUDENTS:

Transfer students hours from another institution that are accepted towards the students educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time from has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

NONCREDIT AND REMEDIAL COURSES:

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

REPEATED COURSES:

Cameo College of Essential Beauty does not offer repeated courses.

CHANGE OF PROGRAM:

In the event a student changes his/her program, any credits given towards the new program will be applied towards Satisfactory Academic Progress (SAP).

SECOND PROGRAM:

In the event a student completes one program and pursues a second program, Satisfactory Academic Progress (SAP) will begin at conception of second program.

LEAVE OF ABSENCE POLICY

A Leave of Absence (LOA) will not involve any additional charges by the institution.

Each student must request a LOA from the school in writing and it must be pre-approved by a school official before the start of the LOA. The LOA form must be filled out completely with an explanation of why the student is requesting the LOA and must include student's signature. In addition, there must be a reasonable expectation that the student will return to school otherwise the LOA will be denied. The LOA extends the students contract period by the same number of days taken in the LOA, see the "Leave of Absence Contract Addendum" for students revised graduation date and student signature.

If a student fails to return to school at the expiration of an approved LOA, the student's withdrawal date is the last day of attendance... **WARNING FOR FEDERAL STUDENT AID STUDENTS:** If you fail to return to school on your scheduled return date, your 6-month grace period for your Direct Stafford Loans will start retroactively on the day the LOA began and repayment will begin sooner than expected. While student is actively on an LOA all financial disbursements will cease. In the rare situation the student doesn't reach the hours covered in the loan period and estimated disbursement date the student could be in jeopardy of losing financial aid disbursements.

In rare cases of emergency that would prevent a student from providing prior written requests the information may be phoned in to the administration office and documented by the administration office staff. However, the student is required to come in and complete, sign, and date the LOA form as soon as possible but no later than 30 days after the initial phone request. If a student fails to complete the LOA form within the required 30 days the student will be withdrawn from the program and as stated previously, the grace period for loan payments (Financial aid students only) will start retroactively on the day the LOA began and repayment will begin sooner than expected. The beginning date of the approved LOA would be determined by the school official to be the first date the student was unable to attend school because of the emergency.

A student's total number of days for all LOA's combined cannot exceed 90 days in any given 12-month period. (The 12-month period will begin on the first day of your first LOA.) Each LOA must be a minimum of 14 calendar days. The student may not return early. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculations are required at that time.

ATTENDANCE

Students must notify instructor and desk coordinator prior to leaving facility.

Student must call and personally notify student services and department desk coordinator of any absence or tardy prior to scheduled arrival time. Failure to do so may be considered a no call/no show which may result in a \$100 fine.

Tardies/Absences 3 calendar days prior will allow student to make-up missed assignments/tests. All missed assignments/tests shall be made up within 5 school days.

Student that misses 3 or more days during the orientation phase may be withdrawn from school until the following class start date.

TARDIES

Defined as: arrival after scheduled arrival time/not seated and prepared for class/or leaving prior to scheduled time. Excess may result in disciplinary action. If arrival is after theory hour has begun, student can still clock in, however, students time will begin 1 hour after scheduled arrival time. If tardy is going to exceed one hour, approval must be given by manager/ student services prior to arrival. All tardies on Saturdays must receive approval prior to clocking in.

ABSENCES

VA benefits students that are not meeting their VA SPAPP will have their benefits terminated if they fall below the VA SPAPP and will have to meet with the schools SCO once they are meeting the requirement for the VA SPAPP to see if they are eligible for recertification.

Alcohol & Drug Prevention Program & Policy

Under the "Drug Free Workplace Act of 1988" and the "Drug Free Schools and Communities Act Amendments of 1991" the college is required to notify all employees and students of its specific alcohol and drug policy program. The elements of the policy and program include consequences that may follow the use of alcohol and other drugs, and sanctions that may be applied both by the College and by external authorities. The law requires that individuals be notified of possible sources of assistance for problems that may arise as a result of use. The following material is provided to supplement the comprehensive policies that are being prepared in accordance with the Task Force report. This policy is intended to educate members of the College community about the health risks associated with the use and abuse of alcohol and other drugs and about the resources available for counseling and therapy. In addition, in order to assure a work and learning environment that promotes the College's mission and proper function, the College prohibits unlawful possession, use, or distribution of alcohol or illicit drugs by faculty, staff, or students on college property or as a part of any College activity. Federal and state sanctions also apply to such conduct. Prevention strategies include efforts to change inappropriate community norms regarding alcohol and other drug use, to alter environmental factors that support inappropriate use, and to provide information and skills regarding sensible use.

Health Risks

The use or abuse of alcohol and other drugs increase the risk for a number of health related and other medical, behavioral, and social problems. These include acute health problems related to intoxication or overdose (blackouts, convulsions, coma, death); physical and psychological dependence; malnutrition; long-term health problems, including cirrhosis of the liver, organic brain damage, high blood pressure, heart disease, ulcers, and cancer of the liver, mouth, throat, and stomach; contracting diseases, such as AIDS, through the sharing of hypodermic needles; pregnancy problems including miscarriages, still births and learning disabilities; fetal alcohol syndrome (physical and mental birth defects); psychological or psychiatric problems; diminished behavior (hangovers, hallucinations, disorientation, slurred speech); unusual or inappropriate risk-taking which may result in physical or emotional injury, or

death; violent behavior towards others, such as assaults and rape; accidents caused by operating machinery while impaired; impaired driving resulting in alcohol and drug-related arrest, traffic accidents, injuries, and fatalities; negative effects on academic or work performance; conflict with co-workers, classmates, family, friends, and others; conduct problems resulting in disciplinary actions, including loss of employment; and legal problems including imprisonment.

Counseling and Treatment Programs

The college encourages individuals with alcohol or other drug-related problems to seek assistance. The following is a list of resources:

College Sanctions

Unlawful possession, use, manufacture, or distribution of alcohol or illicit drugs by faculty, staff, or students on College property or as a part of any College activity may lead to sanctions within the College, the severity of which shall increase as the seriousness of the violation increases. Sanctions include: A verbal or written reprimand; Completion of an appropriate rehabilitation program; A disciplinary warning, with notice that repetition of the offense or continuation of the offense may result in a more serious sanction; Suspension from the College (student) or from employment (employee) or from a specific College activity or facility for a fixed period of time or until completion of specified conditions, such as completion of an appropriate rehabilitation program; Expulsion from the College (student) or termination of employment (faculty and staff); and/or Other appropriate sanctions.

External Sanctions

Unlawful possession, use, manufacture, or distribution of alcohol or illicit drugs may also lead to a referral to the appropriate local, state, and/or federal authorities for prosecution for a misdemeanor or felony, depending on the nature of the offense. The sanctions for such offenses may include fines and/or imprisonment. For example, under federal laws trafficking in drugs such as heroin or cocaine may result in sanctions up to and including life imprisonment for a first offense involving 100 grams or more. Fines for such an offense can reach \$4 million. Offenses involving lesser amounts, 10-99 grams may result in sanctions up to and including 20 years imprisonment and fines of up to \$20 million. A first offense for trafficking in marijuana may lead to sanctions up to life imprisonment for an offense involving 1,000 kg or more or up to 5 years imprisonment for an offense involving less than 50 kg. Such an offense carries with it fines that can reach \$4 million for an individual offender. Federal and State sanctions for illegal possession of controlled substances range from up to one-year imprisonment and up to \$100,000 in fines to three years imprisonment and \$250,000 in fines for repeat offenders. Under Utah laws, use of marijuana is a misdemeanor punishable by up to 90 days in jail and a \$100 fine. Delivery of marijuana is a felony punishable by up to four years imprisonment and up to \$2,000 in fines. Violations may also lead to forfeiture of personal and real property and denial of federal benefits, such as grants, contracts, and student loans. The State of Kansas may impose a wide range of sanctions for alcohol-related offenses. For example, a first drunk driving offense will receive 48 hours of mandatory imprisonment or 100 hours of community service and must complete a court ordered alcohol and drug safety action education program and/or treatment program (at your expense). In addition, you will be fined \$500 to \$1,000 plus court costs, probation and evaluation fees. Your driving privileges will be suspended for 30 days, then restricted for an additional 330 days. Your vehicle can be impounded for up to one year. Any minor under the age of 21

who is found to possess, consume, obtain, purchase or attempt to purchase alcoholic liquor or a cereal malt beverage can be charged with what is commonly known as "Minor in Possession (M.I.P.)", a Class C misdemeanor. Sometimes this is also referred to as a "Minor in Consumption (M.I.C.) where a minor is found to have been drinking but does not have alcohol in his or her possession. They are both the same thing. M.I.P is punishable by a fine of up to \$500, 40 hours of community service and the completion of an educational program dealing with the effects of alcohol.

Information regarding sexual discrimination, including sexual harassment or sexual violence, may also be reported by anyone to U.S. Office for Civil Rights by email at ocr@ed.gov or at the addresses provided at the following website:

<http://www2.ed.gov/about/offices/list/ocr/docs/howto.html>

"Sexual harassment" is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature that may constitute sexual harassment when:

- Submission to such conduct is made either explicitly or implicitly as a term or condition of an evaluation of a student's academic performance, or a term or condition of participation in student activities or in other events or activities sanctioned by] the school];
- Submission to or rejection of such conduct by an individual is used as the basis for academic decisions or other decisions about participation in student activities or other events or activities sanctioned by Cameo College of Essential Beauty; or
- Such conduct otherwise has the purpose or effect of threatening an individual's academic performance; or creating an intimidating, hostile, or offensive educational environment.

Forms of sexual harassment include, but are not limited to, sexist remarks or behavior, constant offensive joking, sexual looks or advances, repeated requests for dates, unwelcome touching, and promise of reward for sexual favors. Students, faculty, or staff who experience sexual harassment should be encouraged to make it clear to the alleged offender that such behavior is offensive. However, failure to comply with this provision does not defeat the Institute's obligation to investigate the incident and take appropriate steps if sexual harassment has occurred.

Sexual violence includes, among other conduct, domestic violence, dating violence, sexual assault, and stalking. These acts will not be tolerated at Cameo College of Essential Beauty as such acts are inappropriate and create an environment contrary to the goals and mission of Cameo College of Essential Beauty.

Any such acts will be thoroughly investigated and will subject an individual to appropriate disciplinary sanctions and/or possible action by appropriate law enforcement agencies.

It is the responsibility of all persons within Cameo College of Essential Beauty community to work to ensure an educational environment free from sex discrimination. Violations of this policy may be grounds for disciplinary action under Cameo College of Essential Beauty's policies and procedures [cross reference the procedures applicable to students and employees utilized by the School to investigate and discipline sexual discrimination (including sexual harassment and sexual violence) incidents].

All students and staff of Cameo College of Essential Beauty are expected to report incidents of sexual discrimination (including sexual harassment or sexual violence) to the Title IX Coordinator.

Education Programs to Promote Awareness of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.

Cameo College of Essential Beauty educates the incoming and current student and employee community about sexual violence, violence prevention, and all relevant [School]

policies and procedures during all orientations held for new and current students at the onset of a class and at least annually.

In addition, Cameo College of Essential Beauty conducts new and current employee training on these topics at least annually. The Title IX Coordinator is responsible for training all Cameo

College of Essential Beauty current students and employees about Cameo College of Essential Beauty's policies regarding sexual violence and for conducting the new student and employee training.

The new and current employee and student training sessions include:

- A statement that Cameo College of Essential Beauty prohibits crimes of dating violence, domestic violence, sexual assault, and stalking.
- The definitions of those crimes under federal and state law.
- The definition of consent, in reference to sexual activity, if available under state law.
- A description of safe and positive options for bystander intervention.
- Information on risk reduction.

- Information contained in Cameo College of Essential Beauty's policies and procedures related to preventing, reporting, and responding to sexual offenses, including disciplinary procedures and victim rights; and
- A description of Cameo College of Essential Beauty's ongoing prevention and awareness campaigns for students and employees.

Sanctions and Protective Measures

Following a final determination of Cameo College of Essential Beauty's institutional disciplinary proceeding regarding domestic violence, dating violence, sexual assault, or stalking, Cameo College of Essential Beauty may impose the following sanctions on the perpetrator and protective measures for the complainant:

1. Sanctions

Sanction that may be imposed by Cameo College of Essential Beauty include, but are not limited to:

- Written warning
- Mandatory counseling
- Mandatory education and training
- No contact order
- Changes in academic, working, or living arrangements; • Revocation of certain campus privileges; • Suspension; or • Expulsion.

Cameo College of Essential Beauty has flexibility in the type and range of sanctions to impose on the perpetrator depending on the severity of the incident, but has a process in place to ensure that sanctions imposed are consistent with sanctions imposed in past incidents of similar conduct and are not imposed unequally based on gender or gender identity.

2. Protective Measures Protective measures that the school may utilize to protect the complainant include, but are not limited to:

- An order of protection, a no contact order, restraining order or similar lawful order from the institution
- Changes to transportation, working, academic, and/or living situations
- Providing increased monitoring, supervision, or security at locations or activities where the misconduct occurred
- Providing an escort to ensure that the complainant can move safely between classes and activities
- Ensuring the complainant and perpetrator do not share classes or extracurricular activities
- Providing comprehensive, holistic victim services including medical, counseling, and academic support services, such as tutoring; or
- Arranging for the complainant to have extra time to complete or re-take a class or withdraw from a class without an academic or financial penalty.

When determining what protective measures to establish, Cameo College of Essential Beauty will consider a number of factors including the specific needs and requests expressed by the complainant; the age of the students involved; the severity or pervasiveness of the conduct; any continuing effects on the complainant; whether the complainant and alleged perpetrator share the same residence hall, dining hall, class, transportation, or job location; and whether other judicial measures have been taken to protect the complainant (e.g., civil protection orders).

Sexual Violence – Victim Procedures

If you are victim of sexual violence, including sexual violence, dating violence, domestic violence, or stalking, your first priority should be to get to a place of safety. You should then obtain any necessary medical treatment. Information about the alleged offense should be provided to the Institute's Title IX Coordinator as soon as possible. Time is a critical factor for evidence collection and preservation.

Cameo College of Essential Beauty strongly advocates that a victim of sexual violence reports the incident to police in a timely manner and, if requested to do so by the victim, [the School's Title IX Coordinator] will assist the victim in contacting the police. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. The victim has the right at all times to decline to notify police of the incident. Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim.
- Provide the opportunity for collection of evidence helpful in prosecution or establishing a no contact order, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam); and assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

When a victim contacts the Police Department, the local Police Sex Crimes Unit will typically be notified as well. The victim may choose for the investigation to be pursued through the criminal justice system. The Title IX Coordinator will guide the victim through the available options and support the victim in his or her decision. Various counseling options are available through the Rape and Sexual Abuse Center and the Victim Intervention Program of the local Police Department.

Procedures for Disciplinary Action in Cases of Sexual Violence

Cameo College of Essential Beauty's Title IX Coordinator has primary responsibility for receiving, evaluating, and investigating allegations of sexual violence, including alleged domestic violence, dating violence, sexual assault, and stalking. The Title IX Coordinator is responsible for informing the [School Director and the Campus Security Authority] within 24 hours after receiving a sexual violence report, for purposes of maintaining accurate Clery Act crime statistics.

The Title IX Coordinator has primary responsibility for ensuring that any disciplinary proceeding involving an allegation of sexual violence is conducted promptly, fairly, and impartially and in accordance with these and other related institutional procedures.

Once the Title IX Coordinator receives a report of sexual violence, the following steps will be followed:

1. The Title IX Coordinator will immediately assess whether the information in the report warrants a timely warning and, if so, will contact [the School Director] immediately to execute that procedure in accordance with the institution's timely warning procedures

[cross reference to those procedures]. The Title IX Coordinator will immediately inform the victim of his/her right to "interim measures" during the pendency of an investigation of the alleged sexual violence, including obtaining an order of protection, a no contact order, restraining order or similar lawful order from the police or the institution. Cameo College of Essential Beauty's obligation is to protect the identity of the victim in any Clery Act report or in other publicly available recordkeeping. Cameo College of Essential Beauty is also required to keep any interim measures provided to the victim confidential, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodation or protective measure.

2. The Title IX Coordinator will, within 24 hours of receipt of the report, provide to the individual making the report of an alleged sex offense:
 - a) A copy of these procedures
 - b) Information on counseling, health, mental health, victim advocacy, legal assistance services, immigration assistance, student financial aid, and any other services available to the victim at Cameo College of Essential Beauty or in the community.
 - c) Information on the victim's right to report the incident to local police and the fact that Cameo College of Essential Beauty's institutional investigation and disciplinary procedure and any criminal proceeding may occur simultaneously; and
 - d) Options to facilitate changes to transportation, working, academic, and/or living situations, or additional protective measures, if requested, while the investigation is pending, even if the victim chooses not to report the crime to police.
3. The Title IX Coordinator will investigate the incident by interviewing: the individual filing the report, the accused, Cameo College of Essential Beauty employees, witnesses, and others as necessary to gather facts about the alleged incident. The Title IX Coordinator may be assisted by other employees after determining that such employees do not have a conflict of interest and have received training in Title IX and VAWA.
4. The Title IX Coordinator will ensure that all individuals involved in the disciplinary procedure apply a "preponderance of the evidence" standard when evaluating sexual violence reports. Cameo College of Essential Beauty does not provide for a formal hearing process but both parties may be assisted by a support person of choice, including an attorney.
5. In all cases, the Title IX Coordinator will maintain regular communications with both the accuser and accused and provide both parties with equal opportunity to provide information, witness statements, evidence, and other information that may be necessary for Cameo College of Essential Beauty to fully evaluate the alleged offense.
6. The Title IX Coordinator will, barring extenuating circumstance, complete the investigation and make a determination regarding any necessary discipline of accused and remedies to accuser within 60 days of the date that the report is first received by the Title IX Coordinator.

7. The Title IX Coordinator will inform both parties of its final determination. Cameo College of Essential Beauty does not provide for an appeal of final determinations.
8. The sanctions that may be imposed by Cameo College of Essential Beauty following a determination that dating violence, domestic violence, sexual assault, or stalking occurred include, but are not limited to, counseling, education, changes in academic or living arrangements, no contact orders, suspension or expulsion of a student, or termination of employment.
9. Both the accuser and accused shall be simultaneously informed in writing of:
10.
 - a) The outcome of any disciplinary proceeding that arises from an allegation of domestic violence, dating violence, sexual assault, or stalking;
 - b) The institution's procedures for the accused and victim to appeal the results of the institutional disciplinary proceeding (if any such appeal rights become available).
 - c) Any change to the results that occurs prior to the time that such results become final; and
 - d) When such results become final.
11. The Title IX Coordinator will determine if the incident is indicative of a systemic issue and, if so, work with Cameo College of Essential Beauty employees, including [the Campus Security Authority and School Director], to recommend changes to Cameo

College of Essential Beauty's policies, procedures, or training to prevent re-occurrence.

Cameo College of Essential Beauty requires the Title IX Coordinator and all employees involved in the investigation and disciplinary process to receive training at least annually on issues related to dating violence, domestic violence, sexual assault, and stalking and on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

Protection of Confidentiality of Victim of Sexual Violence

There are no pastoral or professional counselors on campus. Confidential crisis, mental health, and victim resource hotline numbers are posted on campus as well as listed in the Student Catalog, should students need to contact these agencies. Victims of sexual violence reported to the Title IX Coordinator will be provided with information regarding local rape crisis centers and other counseling services.

Reports about sexual violence or other crimes may be provided informally and in confidence to Cameo College of Essential Beauty's Title IX Coordinator, who will make every attempt to maintain privacy of the information in accordance with your request and Family Educational Rights and Privacy Act of 1974 (FERPA) regulations unless Cameo College of Essential Beauty College is under an obligation to disclose your identity to protect the safety of others. You will be informed if Cameo College of Essential Beauty cannot maintain the requested confidentiality of the information.

Cameo College of Essential Beauty strongly encourages persons who are victims of sexual violence who do not want to report the incident to policy or file a complaint using Cameo College of Essential Beauty's institutional procedures to report the incident to the Title IX Coordinator voluntarily and on a confidential basis solely to permit the inclusion of that information in Cameo College of Essential Beauty's annual crime statistics. With such

information, Cameo College of Essential Beauty can keep an accurate record of the number of similar incidents, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Cameo College of Essential Beauty will make best efforts to maintain the privacy of that information and to comply with FERPA.

Cameo College of Essential Beauty is required to, and will, keep the identity of victims of sexual violence private in any public report of Clery Act crimes. Reporting to the institution will also enable the victim to receive protective measures. At the victim's request, Cameo

College of Essential Beauty will maintain as confidential any protective measures provided to the victim, to the extent that making such information confidential does not impair the ability of the institution to provide those protective measures. The victim will be informed by the institution if providing a protective measure may reveal the identity of the victim.

Cameo College of Essential Beauty encourages reporting of sexual violence to the police. Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim.
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam); and
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention. Police reports are public records under state law, and therefore Cameo College of Essential Beauty cannot guarantee the absolute confidentiality of reports of crime obtained from police records but will make every effort to maintain the confidentiality of such information to the greatest extent permitted by law.

Victim Support Services

Once the Title IX Coordinator receives a report of sexual violence, the Title IX Coordinator will provide the individual making the report with written information regarding existing counseling, health, mental health, victim advocacy, legal assistance, and other services available for victims, both on campus and in the community.

Interim Measures

Within 24 hours of a Title IX Coordinator receiving a report of sexual violence, the Title IX Coordinator will provide written notification to the victim about options for, and available assistance in, changing academic, living, transportation, and working situations, if so, requested by the victim and if such accommodations are reasonably available, regardless of whether the victim chooses to report the crime to campus police or local law enforcement.

Rights and Options of Victims of Sexual Violence

Within 24 hours of a Title IX Coordinator receiving a report of dating violence, domestic violence, sexual assault, or stalking, whether the offense occurred on or off campus, the institution will provide the student or employee with a written explanation of the student's or employee's rights and options. That notice will contain the following information:

This document outlines your rights under Title IX. You may have additional rights under other federal and state laws. Title IX of the Education Amendments of 1972 prohibits sex discrimination—which includes sexual violence—in educational programs and activities. All public and private schools, school districts, colleges, and universities receiving federal funds must comply with Title IX. If you have experienced sexual violence, here are some things you should know about your Title IX rights:

Your School Must Respond Promptly and Effectively to Sexual Violence

- You have the right to report the incident to your school, have your school investigate what happened, and have your complaint resolved promptly and equitably.
- You have the right to choose to report an incident of sexual violence to campus or local law enforcement, but a criminal investigation does not relieve your school of its duty under Title IX to respond promptly and effectively.
- Your school must adopt and publish procedures for resolving complaints of sex discrimination, including sexual violence. Your school may use student disciplinary procedures, but any procedures for sexual violence complaints must afford you a prompt and equitable resolution.
- Your school should ensure that you are aware of your Title IX rights and any available resources, such as victim advocacy, housing assistance, academic support, counseling, disability services, health and mental health services, and legal assistance.
- Your school must designate a Title IX coordinator and make sure all students and employees know how to contact him or her. The Title IX coordinator should also be available to meet with you.
- All students are protected by Title IX, regardless of whether they have a disability, are international or undocumented, and regardless of their sexual orientation and gender identity.

Your School Must Provide Interim Measures as Necessary

- Your school must protect you as necessary, even before it completes any investigation. Your school should start doing this promptly once the incident is reported.
- Once you tell your school about an incident of sexual violence, you have the right to receive some immediate help, such as changing classes, dorms, or transportation. When taking these measures, your school should minimize the burden on you.
- You have the right to report any retaliation by school employees, the alleged perpetrator, and other students, and your school should take strong responsive action if this occurs.

Your School Should Make Known Where You Can Find Confidential Support Services

- Your school should clearly identify where you can go to talk to someone confidentially and who can provide services like advocacy, counseling, or academic support. Some people, such as counselors or victim advocates, can talk to you in confidence without triggering a school's investigation. Because different employees have different reporting obligations when they find out about sexual violence involving students, your school should clearly explain the reporting obligations of all school employees

- Even if you do not specifically ask for confidentiality, your school should only disclose information to individuals who are responsible for handling the school's response to sexual violence. Your school should consult with you about how to best protect your safety and privacy.

Your School Must Conduct an Adequate, Reliable, and Impartial Investigation

- You have the right to be notified of the time frames for all major stages of the investigation.

- You have the right to present witnesses and evidence.
- If the alleged perpetrator is allowed to have a lawyer, you have the right to have one too.
- Your school must resolve your complaint based on what they think is more likely than not to have happened (this is called a preponderance-of-the-evidence standard of proof). Your school cannot use a higher standard of proof.
- You have the right to be notified in writing of the outcome of your complaint and any appeal, including any sanctions that directly relate to you.
- If your school provides for an appeal process, it must be equally available for both parties.
- You have the right to have any proceedings documented, which may include written findings of fact, transcripts, or audio recordings.
- You have the right not to “work it out” with the alleged perpetrator in mediation. Mediation is not appropriate in cases involving sexual violence. Your School Must

Provide Remedies as Necessary

- If an investigation reveals that sexual violence created a hostile environment, your school must take prompt and effective steps reasonably calculated to end the sexual violence, eliminate the hostile environment, prevent its recurrence, and, as appropriate, remedy its effects.
- Appropriate remedies will generally include disciplinary action against the perpetrator but may also include remedies to help you get your education back on track (like academic support, retaking a class without penalty, and counseling). These remedies are in addition to any interim measures you received.
- Your school may also have to provide remedies for the broader student population (such as training) or change its services or policies to prevent such incidents from repeating.

If you want to learn more about your rights, or if you believe that your school is violating federal law, you may contact the U.S. Department of Education, Office for Civil Rights, at (800) 421-3481 or (800) 421-3481 or ocr@ed.gov. If you wish to fill out a complaint form online, you may do so at <http://www.ed.gov/ocr/complaintintro.html> Registered Sex Offenders

In accordance with the federal Campus Sex Crimes Prevention Act (CSCPA) a notice must be given of registered sex offenders to institutions of higher education if the offender is employed, carries on a vacation, or is a student at the institution. This information is available upon request in the administrative office. Therefore, the school will monitor and report criminal activity at such events to local law enforcement authorities. No student will have access to the campus facility, other than the parking area, at any time unless supervised by a staff member.

Student Grievance Policy/Procedure

In accordance with the institution's mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution.

1. The student should register the complaint in writing on the designated form provided by the institution within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school Director.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.
7. Students must exhaust the institution's internal complaint process before submitting the complaint to the school's accrediting agency, if applicable.
