

CAMEO

COLLEGE OF ESSENTIAL BEAUTY

“To provide superior standards of education, shaping the Beauty & Wellness Industry by empowering confident & innovative future professionals for successful careers in the Beauty Industry.”

- Mission Statement

WHO WE ARE

EDUCATING FUTURE BEAUTY PROFESSIONALS FOR OVER 50 YEARS

A LEADER IN THE BEAUTY INDUSTRY

In 1969 Salon Owners and Cosmetologists Bud & Gail Reddick sold 2 of their salons to purchase Cameo College in Sugar House, Utah. They trained an average of 15 students at any given time

Gail Reddick

offering classes in all aspect of Cosmetology. Within a few short years, Gail recognized the need for Electrology in Utah and developed a full program. Decades later, Cameo remains the only accredited school that offers this course in Utah. They enjoyed operating the school together for many years until Bud moved on in the late 70's to open an automotive company.

Their daughter; Brenda Scharman at 17 trained at Cameo to become a licensed Electrologist. For the next several years, she ran a successful business as an Electrologist while being a mom to her son Shane and daughter Rickie.

In 1986, Gail unexpectedly passed away & left the future of Cameo College in Brenda's hands who believes that no dream is too large. She has added multiple programs growing the school from 4 to 200 students. This gives everyone the opportunity to achieve their goals in the Beauty Industry no matter what their passion is.

As Brenda's daughter Rickie reached 14 years of age she then proceeded through the programs Cameo College offers & became licensed in all areas. Rickie built a lucrative business and clientele at the age of 16 years old and continued to work behind the chair offering services in Cosmetology, Master Esthetics, Nails, Electrolysis & Permanent Cosmetics. Rickie helped to innovate the world of Permanent Cosmetics through our Softap program which she continues to teach to this day.

CAMEO COLLEGE HAS BEEN FAMILY OWNED & OPERATED FOR 3 GENERATIONS SINCE 1969

ADVANCED MEDICAL ESTHETICS

THE CAMEO DIFFERENCE

Cameo College has been a leader in Esthetics Education for over 3 generations. We provide not only a high caliber hands on approach to instruction but we also have a Medical Director on staff. They provide program direction, lectures and demonstration all of which sets our program apart from other schools.

Dr. Richard Fryer
Board Certified Plastic Surgeon

These are just a few of the areas of education a student of Cameo College will receive in the extensive Esthetics program curriculum.

Because many individuals choose to work in the medical field in today's beauty industry, Medical Esthetics treatments using soft tissue fillers & injectables are also areas in which our Medical Director Dr. Fryer, must acquaint our students so they are able to assist in pre- & post- treatments.

In 2005, Dr. Richard Fryer joined Cameo College in educating top Estheticians across the country in Medical Esthetics treatments such as laser, specializing in hair removal, photo facials, medical grade chemical acid peels, Medical Grade Microdermabrasion & Medical Grade Microneedling.

Dr. Fryer is board certified by the American Board of Plastic Surgery and is a member of the American Society of Plastic Surgery (ASPS) and the American Society of Esthetic Plastic Surgery (ASAPS). Dr. Fryer attended medical school at the University of Utah and trained in general surgery at the University of Arizona. He attended the University of Utah for the plastic surgery residency and upon completion of his training he was selected to remain at the U of U as an Assistant Professor of Plastic Surgery to help instruct and train surgical residents in cosmetic and plastic surgery.

In 2008, Dr. Fryer entered a private practice in Draper and continues as an Adjunct Assistant Professor of Plastic Surgery. Dr. Fryer includes a full comprehensive curriculum for training Cameo College students in a variety of Medical Esthetics procedures and techniques in order to offer a broad scope of education ensuring success in the their chosen field.

"It's a really well rounded education that gives you exposure and experience"

~Dr. Richard Fryer

THE ONLY ACCREDITED ELECTROLYSIS SCHOOL IN UTAH

Electrolysis is recognized as the only “Permanent” means of hair removal. Whereas Laser is recognized as “Long Term” hair reduction.

Cameo is one of the few Beauty Colleges offering training in Electrolysis & Laser Hair Removal within the nation. This training was brought to Utah by the 1st Generation of Cameo, Gail Reddick. Today, we continue to be the pioneers of Electrolysis schools in Utah & as such we played a key role in creating state licensure. Choosing our program will give you greater career opportunities in the field of both Permanent & Temporary Hair Removal.

THE SOFTAP METHOD

Cameo College is recognized as the only certified Softap trainer in the Greater Salt Lake Area. You will become a certified Softap Technician upon completion of our 1 week course.

WHAT IS SOFTAP?

SofTap Permanent Cosmetics is the most natural way to look your best using 100% disposable hand tools to delicately implant color into the skin. SofTap provides a more gentle method of micropigmentation compared to using a machine.

Rickie Mehl - School Director
Certified Softap Educator

Our instructor, Rickie Mehl, has over 20 years of experience and is the only certified educator in The Great Basin. She offers free lifetime support to all graduates so you can continue to learn the latest techniques or sharpen your skills.
